ED: Salisbury 1

State of New York

Commissioner Kim Tranter
Commissioner Robert Hoyt

1. Mark the rectangle to the left of the name of your choice. 2. To vote for a candidate whose name is not printed on the ballot, mark the rectangle to the left of "write-in" and print the name clearly, staying within the box. Any mark or writing outside of the spaces provided for voting may void the entire ballot. 3. The number of choices is listed for each contest. Do not mark the ballot for more candidates than allowed. If you do, your vote in that contest will not count. If you make a mistake, or you want to change your vote, ask a poll worker for a new ballot.

Instructions for Voting on Questions and Proposals: To vote on a question or proposal, mark the rectangle of your choice. If you make a mistake or want to change your vote, ask a poll worker for a new ballot.

Proposal Number One, An Amendment

Vote For One

Amendment to Protect Against Unequal Treatment

This proposal would protect against unequal treatment based on ethnicity, national origin, age, disability, and sex, including sexual orientation, gender identity and pregnancy. It also protects against unequal treatment based on reproductive healthcare and autonomy.

A "YES" vote puts these protections in the New York State Constitution.

A "NO" vote leaves these protections out of the State Constitution.
